Based on the kids exposures at school, I feel wearing masks and social distancing can be effective in preventing spread. While we are interested in returning on a limited basis, I don't want to create any extra burdens on staff either.	04/18/2021 10:12:57 PM CDT
Because of health issues prefer online service.	04/18/2021 08:55:02 PM CDT
We are unhappy with the pastors' sermons. Racial justice issues are important, but politically presented ones are uncalled for. People are leaving our church because of this. Does leadership care? Serious needs of members are being ignored.	04/18/2021 12:51:16 PM CDT

Staff and Pastors have done a wonderful job of keeping us connected to our church and it's needs. We are so grateful for the virtual internet communication that has been made available to us. We feel blessed and thankful for all of you.	04/18/2021 11:08:03 AM CDT
I feel we should try to return to in person ministry with limited numbers & masking as well as vaccinated. I am beginning to feel separated from our TLC family. Thoughts of visiting another church service elsewhere.	04/16/2021 04:14:35 PM CDT

Unvaccinated people shouldn't be welcome anywhere....period!	04/16/2021 08:32:17 AM CDT

<p>What happened to our pastors' involvement in the church and its members? Many long-time members have left and we're next. Is there a call committee for a new pastor, or youth minister? Why are we forced to have co-pastors? Worthless scam.</p>	<p>04/15/2021 10:14:37 PM CDT</p>
<p>Keep up the good work...and keep the online services going. It was very nice to be able to watch every week from Arizona! We just got back to Bloomington yesterday and will keep watching online. Still a little uncomfortable being in a crowd.</p>	<p>04/15/2021 05:01:55 PM CDT</p>
<p>No vaccine available so far in my area.</p>	<p>04/15/2021 04:10:02 PM CDT</p>
<p>Looking forward to a time in May when we could possibly have a service inside.</p>	<p>04/15/2021 03:28:14 PM CDT</p>
<p>Thank you Covid Response team for all that you do!</p>	<p>04/15/2021 03:00:13 PM CDT</p>
<p>The on line services have been well done and we are fortunate to have the good work of Rob & music leaders and especially the fantastic professional work by Brad Nolte.</p>	<p>04/15/2021 02:25:48 PM CDT</p>
<p>Our family has concerns about being exposed to "industrial" cleaners that will be used to spray surfaces and the air. Will those chemicals be made public on the specific of what, where and how often?</p>	<p>04/15/2021 02:23:12 PM CDT</p>
<p>Please keep doing the best for all of us. We all Love God and that doesn't ever change, so the best thing to do is to make sure when we reopen it will be safe for all. Thank you for all your hard work doing these really strange times.</p>	<p>04/15/2021 02:06:22 PM CDT</p>
<p>While I miss seeing members, I feel very much a part of TLC with online worship which has been EXCELLENT! Furthermore, I am looking forward to my circle being able to meet outdoors and possibly FFF book club. By fall I hope we can meet in person.</p>	<p>04/15/2021 01:50:32 PM CDT</p>

Other churches in our area have successfully opened with social distancing and masking. I feel our church has kept us from at least meeting in small groups inside the church. Invited to pray at Floyd square but can't pray in our own church.	04/15/2021 09:40:31 AM CDT
Keep up the good work you are all doing. Thank You!	04/15/2021 09:04:51 AM CDT
Thanks for all that you have been doing to keep us safe. The online services, while not like inperson, have been very beneficial and much appreciated.	04/15/2021 08:32:51 AM CDT
Covid & Variants must be taken seriously; follow CDC! Cases per 10,000 are spiking, especially with students at nearby schools. Don't ignore that just because we are anxious to gather. Protect kids.TLC has limited safe sanctuary seating. Online great	04/15/2021 07:57:37 AM CDT
I've very much appreciated online services before covid when out of town-I valued them immensely during the pandemic	04/15/2021 07:40:33 AM CDT
I do not consider someone fully vaccinated until 2 weeks after they have completed their 1 or 2 shots.	04/15/2021 05:47:56 AM CDT
Wondering about when we will have a new co-Pastor.. I'm having some difficulty with this transition.. I really preferred the up beat services we used to have.. blessed for the tech team and music.honestly those are huge factors in me watching online	04/14/2021 09:44:07 PM CDT
When it gets nice would enjoy outdoor worship	04/14/2021 09:35:42 PM CDT
ELC Churches have been closed too long. MS synod, Catholic & Methodists are open. Business are open, Restaurants and bars are open, people are working. Could a church be open a hour a week compared to the rest of places. Many churches will die.	04/14/2021 08:52:38 PM CDT

It has been a very difficult year. Would be nice to be a part of the congregation again as a group to support tlc	04/14/2021 08:31:30 PM CDT
We worship weekly on-line, and it is working well. Due to aging issues, and we are no longer driving, limits us, so can't attend on a regular basis, anyway. We are extremely grateful for all who make services available on-line. God bless you.	04/14/2021 08:15:44 PM CDT
We have been worshipping at our son-in-law's church indoors, once a month (and Easter Sunday) for quite some time. The other weeks we watch TLC and are grateful for all of the effort by so many, (particularly Brad) for such well done services.	04/14/2021 07:58:37 PM CDT
N/A	04/14/2021 07:40:11 PM CDT
We are looking forward to full in-person worship.	04/14/2021 07:01:51 PM CDT
Have pastors being there full time to talk to us about our problems.	04/14/2021 06:58:13 PM CDT
I appreciate the online worship services. They have been a huge blessing over the last year.	04/14/2021 06:53:43 PM CDT
This is not Covid related but we are concerned about the amount of political rhetoric coming from the pulpit.	04/14/2021 06:47:22 PM CDT
I am very happy about how the Sunday Service is made available to us. So far there has never been a problem with watching the Sunday Service. It totally serves my needs for now. Thank you so much for the expertise of broadcasting it.	04/14/2021 06:37:18 PM CDT
Invite all vaccinated persons to attend in person worship and encourage any who haven't been vaccinated to do so if they wish to attend.	04/14/2021 06:23:23 PM CDT
Waiting for my turn to get vaccinated	04/14/2021 06:18:13 PM CDT

I have participated in multiple recordings for TLC Live stream and believe this to be a safe environment to sing and worship in, however, I have concerns about larger groups gathering in the sanctuary to sing and worship before many have been V'd.	04/14/2021 06:14:12 PM CDT
All the churches around us are worshipping inside. We will start loosing our church family to other churches if we don't open up soon.	04/14/2021 05:50:20 PM CDT
Thank you for caring and for getting the input from all of us. Blessings to you all.	04/14/2021 05:30:42 PM CDT
When I can sing without a mask, I will want to return to indoor worship.	04/14/2021 05:18:58 PM CDT
For answer 5, and this should be an option also: I am planning to get vaccinated, but have not yet had an opportunity because there has not been an opening for a vaccine for me yet. I plan to be vaccinated as soon as an opportunity arises.	04/14/2021 05:00:51 PM CDT
I understand that each individual or family has the right to not get vaccinated or cannot due to other health issues. Unfortunately, they should be asked not to participate in indoor worship at this time.	04/14/2021 04:49:19 PM CDT
Don't use the synod services. We have plenty of staff to be present each week. That is there job. The pastors need to be in contact with the members and not spend all their time on zoom meetings.	04/14/2021 04:43:22 PM CDT
Thank you very much for your work during this pandemic. I appreciate the careful, thoughtful work that went into developing the guidelines we have been following.	04/14/2021 04:28:21 PM CDT
I really miss being in church for services. also seeing friendly (smiles) behind masks.	04/14/2021 04:25:54 PM CDT

<p>We attended indoor worship recently in Arizona. Indoor services there started over Palm Sunday and Easter. Online signup, checking in on entry. Pews were marked. Limited attendance. More services were required. Process was set up and managed well.</p>	<p>04/14/2021 04:21:45 PM CDT</p>
<p>Shorter services without communion every sunday. Consider 2 30 minute services.</p>	<p>04/14/2021 04:05:52 PM CDT</p>
<p>We will not be returning to in person worship until all members of our immediate family are fully vaccinated.</p>	<p>04/14/2021 04:03:32 PM CDT</p>
<p>Thank you for your continued hard work in this difficult situation.</p>	<p>04/14/2021 04:00:53 PM CDT</p>
<p>With kids not eligible for the vaccine, we appreciate the conservative approach TLC has taken. We will continue to join virtually and possibly attend outdoor masked events in controlled settings with few people (easy to distance) Thank you covid team</p>	<p>04/14/2021 03:49:17 PM CDT</p>
<p>Thank you for all your work on this issue</p>	<p>04/14/2021 03:42:55 PM CDT</p>
